

A diagram of a one-dimensional lattice chain consisting of 10 circular sites. The sites are arranged in a horizontal line. The first two sites on the left are filled with horizontal lines and are labeled 'W' below them. The remaining eight sites are filled with a cross-hatch pattern and are labeled 'L' below them. An arrow labeled 'S' points to the first site from the left. Above the chain, there are labels 'DD' and 'DR' with lines pointing to specific sites. 'DD' points to the first and second sites, and 'DR' points to the third and fourth sites. To the right of the chain, there is a rectangular box with a cross-hatch pattern, labeled 'DT' to its right.
